Price agreed upon for a puppy -\$3,800 _____

Goldendoodle: Males and Females: F2, Multigenerational, F1b puppies \$3,800

In order to hold a puppy, please sign and return this Deposit form, the Agreement form along with your \$500 deposit. The deposit will be applied to the balance of your final price of your puppy.

Deposit options: Postal Order, Cash, Venmo If check or postal check please make payable to Carmel Carty **Because of so much fraud we have been advised this is the safest way - Before you mail your deposit please take a photo and send it to us and we will hold a deposit place for 3 days while we wait for it in the mail**

Please Note: Once you put a deposit to reserve a puppy, you will not be refunded unless such puppy is considered sick or there is no puppy available to you at that moment.

What you get with your new puppy:

- First set of vaccination shots
- Individual Puppy Health Check
- Complete Medical Record
- Dewormed for worms/parasites before pick up.
- Health Guarantee & sale contact
- Puppy starter food
- Scented toy
- Puppy training information
- Our life Assistance
- Microchipped
- Health Insurance (1 month free, you must sign up on day of pickup)
- Puppy Starter kit

50% of payment is due at age two weeks to hold this puppy for you. Final Payment is required at the time of puppy pick up, Cash only unless you pay 4 weeks before pickup day. You are required to pick up your puppy 8 weeks after born Day as this is going home day for all puppies. If you think that you're going to be on vacation and cannot pick up your puppy, you will need to let us know this when they are born. Only special circumstances will allow you to pick up your puppy within 3 days of the 1st original pick up date and there will be boarding/Training charges of \$100 per day as training a puppy is much more work. If your puppy is not picked up by then your puppy will be available to another family or the boarding fees will apply. It is truly in the best interest of your puppy to start bonding with their new families once they are separated from their litter mate's.
